

June 2009

To Whom It May Concern:

We are a committee of very few individuals that have come together in memory of our friend and former co-worker, Brian Santiago. Brian was an Enrolled Member of the Seneca Nation of Indians that passed away from a courageous battle with cancer in May of 2009 at the age of 26. He has left behind his wife Cindy and their 4-month old daughter, Nora Sunshyne Daydream Santiago. One of Brian's favorite pastimes was golfing. In his honor we have come together to create an event in his memory to help his wife and daughter as they incur future finances.

The Brian Santiago Memorial Golf Tournament will take place on Sunday – June 28, 2009 at Rosebrook Golf Course in Silver Creek, NY. **At this time we are asking local businesses and individuals if they would be interested in donating to this event.** (Prizes, gift certificates, theme baskets, direct cash donation to Cindy, etc.)

If you would be interested in donating, please contact **J. Thomas Stokkeland** at **716-945-8108** (or SNI ext 3008) and we will come to pick up your generous donation. If you would prefer to mail your donation, it may be sent to:
